

## CSR REPORT

26<sup>th</sup> Sep 2019

Mitsubishi Elevator India Private Limited as part of its CSR initiatives carried out the following CSR activity in Cochin, Kerala.

CSR Activity	Event date	Place of CSR activity
Support for Education and sports among school children	25 <sup>th</sup> Sep 2019	Government High School, South Ezhipuram, Cochin, Kerala

IMEC contributed for renovation of the library and sports ground in a Government High School, South Ezhipuram, Cochin, Kerala. This school is in one of the backward area catering to the requirement of the students of the local villages. This school has also won the award for having scored 100% success (all students succeeded) in the school final examinations in the last academic year.

IMEC contributed for renovation of the Library and also for steel cupboards for keeping the books. The library windows were provided with proper shutters. This has improved the ambience of the library to encourage the students to develop their reading habit.

IMEC also supported the school in levelling the school playground, providing the sports goods like cricket bat, ball, football, goal post and shuttle racket etc..

Handing over ceremony of both library and the playground was held on 25<sup>th</sup> Sep 2019 at 12:00 Noon. IMEC staff participated in the event and dedicated to the benefit of the students.

In a brief speech by Mr.Srikanth, Mr.Anoop and Mrs.Jeen, IMEC's contribution to the Indian society as part of our CSR initiatives in various places was shared with audience of the function. Students were shared thoughts to keep enhancing their knowledge by utilising the facilities in the Library and also spend their quality time in sports to keep them fit to study well. Tree plantation was also carried out on this occasion.
