

26th Aug 2021

IMEC as part of its social initiatives carried out the following CSR activity in Vemagal, Kolar:-

Type of CSR Activity	Event date	Place of CSR activity
Bhoomi Pooja (Ground breaking ceremony) for the Lake Rejuvenation project	26 th August 2021 at 08:30 Hrs.	Channappanahalli Lake Kolar

We are pleased to inform that, as part of Corporate Social Responsibility (CSR) activity, IMEC is sponsoring the rejuvenation and development of Channappanahalli Lake near IMEC factory at Vemagal. This project is being executed by “United Way Bengaluru” (UWBe), a NGO (Non-governmental Organisation). The Project is estimated to take about a year to complete.

The Bhoomi Pooja (Ground Breaking ceremony) of this project was organised today, 26th August 2021 at 08:30 a.m. in the above lake.

Guests arriving at the venue

Mr. Joshy greeting Dr. Selvamani, IAS (DC)

Dr. Selvamani, IAS, Deputy Commissioner (DC) along with other officials from Kolar district administration, IMEC CSR members lead by Mr. Joshy, Factory Manager and UWBe team members participated in this function. Local village representatives also actively joined this Pooja.

During his speech, the Deputy Commissioner, appreciated IMEC and UWBe team for taking up this lake rejuvenation project. He also mentioned that this lake will not only help to store the water but also help to improve the ground water level of all the villages around this lake. In addition, the lake would serve the local public as a place for their relaxation and children amusement.

On this occasion, Mr. Joshy, FM, thanked the Deputy Commissioner for his presence in this event and also for allowing IMEC to do this project under its CSR. On behalf of MD of IMEC, Mr. Joshy conveyed that IMEC would like to be *'the best corporate citizen in Kolar'*. He further briefed about the past CSR activities undertaken by IMEC in Vemagal, demonstrating its care on the wellbeing of the local public.

Mr. Joshy explained about the initiative of this project which was proposed during the last financial year but got delayed due to COVID pandemic situation. This project would cover desilting the lake
